Hon James Simons.

Dear Sir:-

In reply to your letter of May 2 '94 I would say that Joshua Smith died in New York in 1868 intestate leaving as heirs at law his widow Mrs Elizabeth Smith and two sisters. Mrs Smith has since died and we represent her heirs. We have been unable to locate the two sisters and suppose you represent their interests. I f you will give me their names and address I will make them parties defendant to the partition suit and doubtless we will be able to obtain a partition and sale by consent within a very short time.

Yours respectfully,

Muyun Feltermany
